Explanation - This amendment provides funding for present law decision package 1303 in the General Operations Program of the Department of Transportation (this decision package was not addressed in the LFD Budget Analysis as it was introduced during budget hearings).

The funding is for for federal civil rights grants in two program areas: 1) On-the-job Training (OJT) Program; and 2) Disadvantaged Business Entity Support Services (DBE/SS) Program. The OJT funding would provide Native Americans and women training to obtain employment as entry-level heavy equipment operators and truck drivers. The DBE/SS funding provides a variety of services to disadvantaged businesses to assist in making them more competitive in the project bidding process.

This amendment adds \$184,680 in FY2008 and \$184,680 in FY2009 of federal special revenue for a biennium total of \$369,360.
